FAMILY HOME

Feel at work as well as at home.

The Home machine is designed to operate only with an electrical supply. A water tank is integrated and the stainless steel drain base can be removed for cleaning.

Equipped with a steam nozzle and the Aroma Perfect system, this espresso machine will give you all the equipment you need from a professional to make your everyday drinks.

- 1 cleaning brush and 1 obturator
- 1 metal braid for water supply
- 1 flexible plastic tube for water drainage
